### Medgar Evers' Hugh Chin Named Player of the Year

### Hunter's German Dominguez & Baruch's Ranford Champagnie Also Honored

**BRONX, NY** - Medgar Evers senior midfielder **Hugh Chin** (Jamaica/Brooklyn, NY) was selected as the 2006 CUNYAC Player of the Year, it was announced today by the league. In addition, Hunter freshman midfielder/forward **German Dominguez** (Long Island City/Corona, NY) was named the Rookie of the Year, and Baruch head coach **Ranford Champagnie** was selected by his peers as the Coach of the Year.

Chin totaled 32 points this past season to lead the conference. He also tied for the league-lead with 14 goals and finished tied for sixth in assists with four. Perhaps most impressive, were the league-high five game-winning goals that he tallied. "Hugh Chin has been an exemplary student-athlete over the past four years in the MEC soccer program," said Medgar Evers head coach Stanley Harmon. "In addition to his sterling performance on the soccer field, he has excelled in the classroom. While I am truly saddened to see him go, I am encouraged by the high standards that he strives to maintain and I am sure he will extremely successful in his future endeavors."

Dominguez made an instant impact in the CUNYAC during his first campaign at Hunter. The Hawks dynamic newcomer finished fifth in the league with 24 points, including 11 goals and two assists. Two of his tallies were of the game-winning variety. "German is the engine of our team," said Hunter head coach Jose Cedeno. "He is very strong and smart player who understands the game very well. He is the spark of our improving new program."

Champagnie led Baruch to their second NCAA appearance in the past three seasons after the Bearcats won the conference tournament as the No. 2 seed. Baruch finished the season with a record of 12-7-1 and were 5-2-1 in the CUNYAC. "I am grateful to my peers for recognizing me for the second time in my career, Champagnie said. "I want to thank the coaching staff and all my players that made this season a memorable one.
